UPC or EAN No.	840696100017
Category	Speakers
New or Existing	New
Color Options	Pewter (as shown), Candy Apple Red, Pearl White

Product Description

Tagline Turn it on. Turn it up.

Description Sengled Pulse combines the energy efficiency of a dimmable LED light with the high-quality audio of a JBL Bluetooth speaker that you can control with a free app on your iOS or Android device.

Simply twist Pulse into any standard light socket and then adjust both lighting and sound via Bluetooth wireless from the Pulse app on your iPhone and iPad. Now you can tailor both light and sound to whatever mood you're feeling. Experience the soaring highs and the rich stereo sound of JBL combined with warm, dimmable lighting — without the fuss of speaker wires, power cords, or an independent remote control.

- Key Features**
- Multi-channel JBL Bluetooth speaker and an energy-efficient, dimmable LED light bulb in a single unit
 - Easy to install, no need for speaker wires, power cords, or remote controls
 - Play streamed music and media apps anywhere there's a light socket
 - Spread music throughout your house by linking up to eight speaker bulbs
 - Intuitive Pulse mobile app controls light dimming, sound volume, audio equalizer modes
 - Launch media players such as Pandora and Spotify directly from the mobile app
 - Individual Pulse bulbs work in unison up to 100 feet apart

- What's in the Box?**
- One Master (M) + One Satellite (S)
 - Power Supply: 120V AC
 - Power Consumption: 15W (Light and Audio), Peak 30W

Product Specifications & Warranty

Data (per bulb)

Height	5.3 in./13.46 cm
Width	3.8 in./9.65 cm
Length	3.8 in./9.65 cm
Weight	14.3 oz.
